Personal profile

I am A friendly, conscientious, reliable person, able to work as a part of a team. Bringing common sense and initiative to any work situation. I am quick to learn and have an adaptable approach to tasks. Always looking to improve, I set myself high personal standards of workmanship. I am an organized, effective communicator and I have the ability to remain calm even in stressful or unexpected circumstances. I have been passionate about artificial intelligence since its early emergence, closely following every major development, and I have hands-on experience working with a wide range of AI models. I am also able to build websites and develop programs. Therefore, I am looking for a position in your company.

Education

Al-Azhar University	• Bachelor Of Languages and Translation • Graduation year: 2020-2021
